Dear Friend

As part of your annual membership subscription you receive unlimited admission to the National Waterways Museum, Gloucester and Ellesmere Port and to several other Waterways attractions, to a programme of talks and to our newsletter, Llanthony Log, which comes out four times a year.

Besides all this, as it is our aim to increase our Friends' membership, we should like to know what else you would like for your membership. To this end, we value your opinion and should be pleased if you would take a few minutes to fill in this questionnaire.

Would you be interested in any of the following?

- Private views of Exhibitions       Guided walks from the Museum or other locations
- Retail discount in the Museum shop (excluding books)       Boat trips
- Any other suggestions? If you've ticked this box, please write your suggestion(s) below

Llanthony Log: What else, if anything, would you like covered by Llanthony Log on a regular/occasional basis? Please write your ideas here
